TERMS AND CONDITIONS :

1. The tenderers should note that the work must be started within 07 (seven) days on receipt of the work order and shall be completed within 4 months & 6 months commencing from the date of issue of work order. Tenderers are required to submit detail programme of works along with the tender which they consider necessary keeping in view of the clause 2 of the P.W.D. Form No.P1, without these programmes of works, the tender will be considered defective. Authority for acceptance of tenders would rest with Block Development Officer, Chittrakonda, Dist- Malkangiri

2. Tenderers are required to pay earnest money at 1% of the estimated amount i.e. as per Column No-05 to Table-A mentioned at above, either in shape of Bank Draft/N.S.C./ Postal Time Deposit Pass Book/ Deposit Receipt of Scheduled Bank duly pledged to the Block Development Officer Chittrakonda, otherwise their tender will not be considered. The earnest money will be refunded to the unsuccessful tenderers on application as per the terms and conditions laid down in O.P.W.D. Code and the same will be retained in case of the successful tenderers and will not carry any interest at the time of refund after successful completion of the work.

CONTRACTOR

BLOCK DEVELOPMENT OFFICER

3. (a) The plan & specification for the work can be seen at the office of the Block Development Officer, Chittrakonda during any working hours days up to 05.09.2023.. Complaints at a future date that the plan and specifications have not been seen cannot be entertained. The contractor may obtain a set of tender documents for the work from the official website (<http://www.malkangiri.nic.in>) on payment of Non-refundable fund as per Column No-04 of Table-A above in shape of Demand Draft issued from any scheduled bank in favour of Block Development officer, Chittrakonda Payable at Chittrakonda. The tender must be submitted in a sealed cover through registered/ speed post only i.e. separate tender forms should be used for each project and must be packed only one tender form in a single envelope. The name of the tenderer and the name of the work are to be superscribed on the cover.

(b) All other information can be obtained on application to the Block Development Officer, Chittrakonda Dist-, Malkangiri. The authority will not be responsible if any portion of the tender document is modified and in all cases this conditions stipulated in the original document kept in the office of the undersigned shall prevail.

(c) The organization will not be held responsible, if there is any delay in receipt of tender documents by the intending contractors sent by department through registered or speed post and similarly the tender documents sent through Registered / Speed post donot reach in the Block Development Officer, Chittrakonda Dist-, Malkangiri by the scheduled date and time. Their offers will not be considered on any account even if the tender documents were dispatched by the tenderers before the due date. The cost of registration fees will be borne by the intending tenderers.

(d) **As envisaged in Works Department OM No-16 dated.01.01.2015 any single tender received in 1st Call shall be cancelled without opening of the bid and in case when more than one tender have been received in the 1st call and only a single tender is found to be responsive, the same is also liable to be cancelled due to lack of competitive price bidding.**

4. Block Development Officer, Chittrakonda Dist- Malkangiri reserves the right to reject any or all the tenders received without assigning any reasons thereof.

5. The tenderer whose tender is selected for acceptance shall within a period of seven days upon written information being given to him of acceptance of his tender make an initial security deposit @ 1% (One percent) of the tendered amount. So that the earnest money and initial security deposit will be 2% of the tendered amount as shown in clause-2 above and sign the agreement in the P.W.D. Form No.-P1 for due fulfillment of contract in the office of the Block Development Officer, Chittrakonda, Dist- Malkangiri. The security deposit, together with the earnest money and the amount withheld according to the provision of P1 agreement shall be retained as security deposit for the fulfillment of this contract. Failure to enter into the required agreement and to make the security deposit as above shall entail forfeiture of the earnest money. No tender shall be finally accepted until the required amount of security money is deposited. The written agreement to be entered into between the contractor and the Block Development Officer, Chittrakonda shall be foundation of rights of the parties and the contract shall be deemed to be incomplete until the agreement has first been signed by the contractor and then by the proper officer authorized to enter into the contract on behalf of the Government. The department will accept the security deposit in the form of N.S.C., N.D.C., Postal Time Deposit Pass Book duly pledged to Block Development Officer, Chittrakonda and in no other form. In case of tenderers who have made fixed deposits, action will be taken to degrade them if they decline to sign the agreement within the period as in above case.

6. (a) The rates should be quoted in words and figures and the units in words otherwise the tender will be liable for rejection. In case of discrepancy between words and figures, the words shall prevail and in case of discrepancy between unit rate and total, the unit rate shall prevail. The rates should be quoted in Rupees and Paisa, but not in Rupees and annas. The tender shall be written legibly and free from erasures, over writings or conversion of figures. Corrections where unavoidable should be made by scoring out initiating dating and rewriting. The tender should also show total of each page and grand total of whole tender.

(b) The amount equivalent to less percentage as quoted by the bidder must be deposited in advance before execution of the agreement.

CONTRACTOR

BLOCK DEVELOPMENT OFFICER

7. The contractors shall be responsible for payment of all royalties or other charges for quarrying materials. All local taxes inclusive of GST & Income Tax, Ferry & Tollage charges and Octroi Taxes are to be paid by Contractor.
8. The tender may not, at the discretion of the competent authority, be considered unless accompanied by attested copies of GST certificate, non assessment certificate as the case may be and the original certificate produced before the Block Development Officer, Chitrakonda Dist., Malkangiri at the time of opening of the tender.
9. If the contractor removes any materials or stock so supplied to him from the site of work with a view of disposing of the same dishonestly, he should in addition to any other liabilities Civil or Criminal cases arising out of the contract be liable to pay a penalty equivalent to five times the price of the materials or stock according to the stipulated rates and the penalty to impose shall be recovered from any sum that may then or at any time there after become due to the contractor or from his security or from the proceeds of sales thereof.
10. The contractor should be fully liable to indemnify the department for payment of any compensation under "Workman" Compensation Act. VII of 1923 on account of the workmen being employed by him and the full amount of compensation paid will be recovered from the contractor.
11. Every tenderer must examine the detailed specification of Project before submitting his tender. The rights is reserved without impairing the contract to make such increase in the quantities or items of work mentioned in the schedule attached to the tender notice as may be considered necessary to complete the work fully and satisfactorily. Such increase or decrease shall in no case invalidate the contract or rates. It shall be definitely understood that the Govt. do not accept any responsibility for the correctness or completeness of the quantities shown in the schedule. The schedule is liable to alteration by omission or additions or deduction and such omission deduction shall in no case invalidate the contract and no extra monetary compensation will be entertained. Department will not supply any materials what so ever for the work. The tenderer shall be financially solvent and stable for advance procurement of all materials required for the work vide Government of Odisha Finance Department Memo No.-48443/F Code-46 / 95 dated 11.12.1995.
12. All reinforced cement concrete work should conform to Orissa Detail standard specification & should be of grade M 150 and M 200 equivalent to nominal proportion 1:2:4 / 1:1.5:3 having minimum compressive strength in work test of 150 Kg/ Cm² / 200 Kg / Cm² in 15 Cm. cubes at 28 days after mixing and test conducted in accordance with IS-456 & IS-16 using 12mm to 20mm size hard black crusher broken granite chips. (20mm size not to exceed 25%).
13. Shuttering and centering shall be with seasoned non-sal wood planks and the inside of which shall be lined suitable sheeting and made leak proof and water tight or alternatively steel shuttering and centering may be used.
14. For the purpose of jurisdiction in the event of dispute if any the contract should be deemed to have been entered into within the State of Odisha and it is agreed that neither party of the contract at any place outside the State of Odisha.
15. Percentage rate contract (vide Works Department letter no.8310 dt.17.05.2006) In case of Percentage Rate tender:-
- The contractor has to quote percentage excess or less over the estimated cost in the Price Bid appended to the tender document.
 - The Contractors participated in the tender for more than one work may offer conditional rebate. Rebate offer submitted in a separate letter duly scanned shall be opened, declared and recorded first. The rebate so offered shall be considered after opening of all packages called in the same Tender Notice. The Contractors who wish to tender for two or more works shall submit separate tender for each. Each tender shall have the Bid Identification No., Name & Sl. No. of the work (as per IFB) to which they refer.
 - The Contractor will quote percentage excess/less up to one decimal point only. If he writes the percentage excess/less up to two or more decimal points, the first decimal point shall only be considered without rounding off.

CONTRACTOR

BLOCK DEVELOPMENT OFFICER

- iv. In the contract P-I time is the essence. The contractor is required to maintain a certain rate of progress specified in the contract. The quantity mentioned can be increased or reduced to the extent of 10% for individual items subject to a maximum of 5% over the estimated cost. If it exceeds the limit stated above prior approval of competent authority is mandatory before making any payment.
- v. The period of completion is fixed and can not be altered except in case of exceptional circumstances with due approval of next higher authority.
- vi. Bills for percentage rate tenders shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtracted from the gross amount of the bill.
16. After the work is finished all surplus materials and debris are to be removed by the contractor and preliminary work such as vats, mixing platform etc. are to be dismantled and all the materials are to be removed from the site. The ground up to 15m wide from the building should be cleared and rough dressed. No extra payment will be made to the contractor on this account. The rate quoted should be inclusive of all these items.
17. The contractor shall not interface with the execution of water supply or electrical fittings arrangement and any other works entrusted to any other agency by the department at any time during the progress of the work.
18. The department will have the right to inspect the scaffolding and centering made for the work and can reject partly or fully such structures if found defective in their opinion.
19. The contractor will have to arrange for water supply for all works and make sanitary arrangements at his own cost for his labour camps. Contractor has to arrange adequate lighting arrangements for night work whenever necessary at his own cost.
20. Baling out water from the foundation either rain water or sub-soil water if necessary should be borne by the contractor. No payment will be made for bench marks, level pillars profiles and enching and leveling ground where required. The rates quoted should be for finished items of work inclusive of these incidental items of work.
21. All the quantities mentioned in the schedule are combined for ground floor and multistories in case of multistoried building the rates should be through for the same unless otherwise mentioned in the schedule of quantities for individual items.
22. Cement concrete in roof slab beams etc. wherever prescribed by the Engineer in charge shall be machine mixed and vibrated and the contractor should arrange his own concrete mixers, vibrators and pumps etc. for the purpose.
23. It should be understood clearly that no claim what so ever will be entertained.
24. The tenderer shall have to abide by the CPWD safety code rule introduced by the Government of India Ministry of Works, housing and supply in their standing orders No.44 to 50 dated 25.11.1957 which can be seen in the office of the Block Development Officer, Chittrakonda Dist., Malkangiri during working hours & days.
25. Tenders are required to abide by the fair wage clauses as introduced by the Government.
26. The contractor will be responsible for the loss or damage of any departmental materials equipments supplied to him under clauses 13, 30 and 32 during execution of the work due to reason whatsoever and cost of such materials will be recovered from him at prevailing stock issue rates plus storage charges or market rates whichever is higher.
27. The contractor should arrange at his own cost necessary tools and plants machines concrete mixer & vibrators and other machineries such as pumps etc. required for the efficient execution of the work and rates quoted should be inclusive of the running charges of such plant and cost of consumable.
28. The contractor will have to submit to the Block Development Officer, Chittrakonda Dist., Malkangiri, monthly return of labour both skilled and unskilled employed by him on the work.
29. The tenderers are required to go through each clause of P.W.D. Form No.-P1 carefully in addition to clauses mentioned herewith before tendering.

CONTRACTOR

BLOCK DEVELOPMENT OFFICER

30. No part of the contract shall be sublet without written permission of Block Development Officer, Chittrakonda Dist- Malkangiri or transfer is made by power of attorney authorizing others to receive payment on the contractor's behalf.

31. If further necessary information is required AEE/AE, Chittrakonda Block, Malkangiri will furnish such, but it must be clearly understood that the tenders must be received in order and according to the institutions.

32. Cement shall be used by bags and weight of cubic meter of cement being taken as 14.42 qtl.

33. No contractors will be permitted to furnish their tenders in their own manuscript papers.

34. The following clauses have been revised / substituted as per Works Department Office memorandum No.12366 dtd. 08.11.2013. Details can be seen in the website:<http://tendersodisha.gov.in>

(i) Every bidder is expected before quoting his rate to inspect the site of the proposed work. The bidder should also inspect the quarries and approach roads to quarries and satisfy himself/themselves about the quality and availability of materials. In every case the materials must comply with the relevant specifications. Complaints at future date that the availability of materials at quarries has been misjudged cannot be entertained.

Amendment to Para.3.4.16(a)(vii) of OPWD Code Vol.1 by substitution.

(ii) For the purpose of estimate, the approved quarry lead is to be provided judiciously. Engineers in charge would be responsible for ensuring the quality of the materials supplied. The contractors would, however, be responsible for procurement of materials from authorized sources and voluntarily disclose the source of procurement for the purpose of billing. Besides, the bidder would be required to submit the details of quarry for procurement while submitting the bids.

35. Government will not however after acceptance of contract rate pay any extracharges for lead or any other reason in case the contractor is found later on to have misjudged the materials available.

36. All fittings for doors and windows if supplied by the contractor should be of best quality and should be got approved by AEE/AE, Chittrakonda Block, Malkangiri, before they are used on the work.

37. The tender containing extraneous conditions not covered by the tender call notice are liable for rejection.

38. (a) The contractor shall have to furnish a certificate in the prescribed proforma enclosed herewith along the tender to effort that he is not related to any officers of Block Development Officer, Chittrakonda Dis- Malkangiri.

(b) CERTIFICATE OF NO RELATIONSHIP

I / We hereby certify that I / We are / are not related to any officers of Block Development Officer, Chittrakonda Dis- Malkangiri. I / We am / are also aware that if the facts subsequently proved to be false my / our contract will be rescinded with the forfeiture of E.M.D. and total security deposit and I / We shall be liable to make good of the loss or damage resulting from such cancellation.

I / We also note that in case of non-submission of this certificate with tender my / our tender is liable for rejection.

Date.....

Signature of Tenderer

39. All the tenders received will remain valid for a period Sixty days from the date of receipt tenders. The period of validity can also be extended if agreed to by the Department and the contractor.

40. After completion of the work, the contractor shall arrange at his own cost all requisite equipments for testing building if found necessary and bear the entire cost of such test.

41. Tenderers required to submit a list of works in their hand in the prescribed proforma herewith, (b) list T&P (c) List of works executed in their prescribed proforma enclosed herewith along with the tender.

1. (Memo No.-48443 / P-Code-46 / 95 dated 11.12.1995 regarding "Discontinuance of the system of procurement of stock by Engineering Department").

X X X

2. With a view to avoiding these situations Govt. have been pleased to decide that with effect from 01.04.96 there will neither purchase of department store materials nor booking of materials to show utilization of budget provision. It will be the responsibility of the contractor to purchase stores and utilize them in the work since materials like cement, steel etc. are easily and abundantly available at places, there will be no difficulty for contractors to procure the same. Therefore the future agreement with the contractors shall be executed accordingly and necessary modification to the agreement from may be made. In case where agreement have already been executed for department supply of materials, efforts should be made to fulfill the same by utilization to the existing stores and also through inter divisional and even inter department transfer of stores. For utilization of the surplus materials, agreements may however be made for supplying of materials to the extent available. In this way the existing materials should be exhausted.

3. Maintenance work should be undertaken by purchasing materials in case of departmental execution of work by directly charging to site account or through contractors. There should not be advance purchase of materials for the sake of storing and utilizing the same in future works.

4. Consequent upon introduction of the new system the Engineer-in-Charge of the work will have to exercise strict quality control and ensure that materials used by the contractors conform to the standard specifications

My quoted rate is % Excess % Less *15.06.2023*
(Both in figure and words) over the above amount put to tender.

Note:

1. The contractor should not write any thing excepting quoting of percentage and in any case any thing else regarding tender rate is mentioned, the tenderer is liable for rejection.

2. Strike out which are not applicable.

3. Percentage quoted by the contractor shall be accurately filled in figures and words, so that there is no discrepancy.

4. If any discrepancy is found in the percentage quoted in words and figures then the percentage quoted by the contractors in words shall be taken as correct.

5. The percentage quoted in the tender with out mentioning excess or less will be treated as excess.

6. The contractor should write percentage excess or less up to one decimal point only. If he writes the percentage excess or less up to two or more decimal points the first decimal point shall only be considered with out rounding off.

13	Supplying fitting, fixing of M.S Grill including cost of labour , material, transportation etc.	kg	561.10	92.22	Rs.	51745.00
14	Applying one coat of primer of approved	Sqm.	333.34	59.07	Rs.	19690.00
5	Distempering Two coats with approved distemper including cost of all amterial and labour etc.	Sqm.	109.33	67.86	Rs.	7419.00
16	Painting 2 coats weather seal paint over a coat of primer including cost, conveyance of all material, labour, T & P etc. complete.	Sqm.	144.70	144.15	Rs.	20858.00
17	Enamel painting two coats including cost of all materials.	Sqm.	21.74	143.34	Rs.	3115.00
Total					Rs.	1138493.00

(Rupees Eleven Lakh Thirty Eight Thousand Four Hundred Ninty Three) only.

Tender schedule for the project:

Construction of 02 Nos. Addl. Class Room at
Gorasetu PUPS

under Chittrakonda Block is technically approved for Rs **1138493.00**

(Rupees Eleven Lakh Thirty Eight Thousand Four Hundred Ninty Three) only.

No of corrections
No of over writings
No. of Interpolation

My quoted rate is % Excess % Less
(Both in figure and words) over the above amount put to tender.

Note:

1. The contractor should not write any thing excepting quoting of percentage and in any case any thing else regarding tender rate is mentioned, the tenderer is liable for rejection.
2. Strike out which are not applicable.
3. Percentage quoted by the contractor shall be accurately filled in figures and words, so that there is no discrepancy.
4. If any discrepancy is found in the percentage quoted in words and figures then the percentage quoted by the contractors in words shall be taken as correct.
5. The percentage quoted in the tender with out mentioning excess or less will be treated as excess.
6. The contractor should write percentage excess or less up to one decimal point only. If he writes the percentage excess or less up to two or more decimal points the first decimal point shall only be considered with out rounding off.

Column	Cum.	1.86	12429.60	Rs.	23119.00
Lintel	Cum.	1.77	10000.70	Rs.	17701.00
Beam	Cum.	5.31	12429.60	Rs.	66001.00
Roof Slab	Cum.	11.87	10716.90	Rs.	127210.00
Chajja	Cum.	0.91	13460.20	Rs.	12249.00
Cutting, bending, binding and placing in position of reinforcement steel for RCC work including cost of binding wire, steel, labour, tools etc. complete.	Qntl.	26.29	9244.90	Rs.	243048.00
2.5mm thick CC (1:2:2) for grading concrete over roof slab with 6mm CBHG chips	Sqm.	95.00	329.20	Rs.	31274.00
Providing and laying CB brick masonry work for super structure over the beam for design thouroughly soaked in water with cement mortar 1:6 including necessary scaffolding, racking out joints, curring etc. complete as	Cum.	26.58	4355.70	Rs.	115775.00
Fixing fixing of vetrified tiles in floors, treads and steps on 25 mm thick bed of cement mortar 1:4 joined with neat cement slurry mixed with pigments to match the shades of the tile including rubbing, polishing and cost of precast tiles etc. complete.	Sqm.	88.56	1292.20	Rs.	114437.00
Fitting and fixing of cheker tiles in floor	Sqm.	6.95	1069.60	Rs.	7434.00
12 mm thick cement plaster in cement mortar (1:6) over the outside wall surface including necessary scaffolding, curring etc. complete.	Sqm.	104.61	154.90	Rs.	16204.00

12	16 mm thick cement plaster in cement mortar (1:6) over the inside wall surface including necessary scaffolding, curing etc. complete.	Sqm.	162.95	220.30	Rs.	35898.00
13	20 mm thick cement plaster in cement mortar (1:6) over stone masonry surface including , curing etc. complete.	Sqm.	27.65	232.20	Rs.	6420.00
14	Supplying fitting, fixing of M.S Grill including cost of labour, material, transportation etc.					
a)	Door	kg	167.86	81.30	Rs.	13647.00
b)	Window	kg	278.63	78.80	Rs.	21956.00
c)	Fitting fixing of Door and Windows.	Sqm.	12.53	67.40	Rs.	851.00
15	Applying one coat of primer of approved	Sqm.	152.18	62.70	Rs.	9542.00
16	Distemping: Two coats with approved distemper including cost of all amterial and labour etc.	Sqm.	246.19	67.90	Rs.	16716.00
17	Painting 2 coats weather seal paint over a coat of primer including cost, conveyance of all material, labour, T & P etc. complete.	Sqm.	152.18	75.80	Rs.	11535.00
18	Enamel painting two coats including cost of all materials.	Sqm.	32.14	143.90	Rs.	4625.00
Total					Rs.	1143365.00

(Rupees. Eleven Lakh Fourtythree Thousand Three Hundred Sixtyfive) only.

Tender schedule for the project:

Construction of 2 nos of Addl.Clas Room at Bidarpakhna

under Chitrakonda Block is technically approved for Rs **1143365.00**

(Rupees. Eleven Lakh Fourtythree Thousand Three Hundred Sixtyfive) only.
