But The EMD of successful bidder will be returned to the agency on submission of performance security of Re.1,00,000/-and signing the MOU. This EMD cannot be adjusted towards performance security. The EMD shall be forfeited if the bidder fails/ refuse to sign the MOU.
 4. All the workers engaged by the outsourcing agency shall have uniform with the logo of the Agency.
 5. All staffs of the OS agency shall bear photo identity cards during the period of work, which shall be duly signed by the Head of the concerned Hospital.
 6. The Outsourcing Agency shall furnish the List of Staff (above 18 years of age only) with Proof of Identity and address to the concerned Authority after finalization of the contract for Outsourcing of services.
 7. The concerned authority of the Hospital may request the Tenderer/Agency to withdraw any of their workers from the Hospital without assigning any reasons, within 24 hours prior intimation.
 8. The Tenderer /Agency has to abide by all the rules and regulation relating to labour laws, accident, workmen compensation act, Workmen Insurance, ESI, EPF, fire safety etc. as to be amended time to time. This will be the sole responsibility of the Tenderer/Agency. The authority will not be a party at any stage to any kind of dispute arises relating to the above.
 9. Any damage/pilferage to the Hospital property due to mishandling, carelessness of the contractor/agency or his workmen will be recoverable form the Agency’s bill and all materials issued to the contractor/Agency shall be his/her sole responsibility for its safety during the entire period of the contract.
 10. The selected Agency/Organisation should depute qualified and dedicated staff (trained in the field of Bio Medical Waste management or having experience in handling the biomedical wastes) to manage the Bio-Medical Waste Management activity such as collection, transportation, storage, treatment & disposal in the Hospital premises (offsite/onsite). It will also coordinate with the Bio-Medical Waste management committee of the Hospital and be responsible for supervision of the said work. The work man’s mobile number (24X7 functional) must be given to the hospital authorities by the Agency for emergency need at any time.

-
11. All the employees of Agency/Organisation will have to be covered under insurance against any personal accidents/health hazards and the Hospital authority will not liable for payment of any compensation on that account.
 12. During execution of work, the Agency/Organization should follow all standard norms of safety measures/precautions to avoid accidents/damages to men, machine and infrastructure etc. On non compliance to this clause suitable fine/penalty as decided by the Authority will be imposed.
 13. Agency/Organisation will have to provide all personnel protective gears & immunise its workman for handling of BMW such as -Apron, Gum Boot, Mask, Cap, goggles, Rubber Utility Gloves and Hepatitis B, TT Injection as per requirement.
 14. All the generation points of BMW at Health care Units must have colour coded container/bins with cover. The designated bio-degradable colour coded poly bags with bio hazard symbol which has to be supplied by the agency, shall be put in respective coloured coded containers/bins and lifted by the OS agency/organization within 48 Hrs of last clearance or when they become two third full whichever is earlier. Bags are to be closed by tying, weighed and recorded and then transported to the temporary storage area (onsite/offsite) for treatment and disposal utilizing the BMW equipment (Onsite/Offsite). Each bag shall be labelled as per the Schedule III & IV of the BMW (H&M) Rules 2016. The coloured coded bags shall be strong enough to withstand any possible damage during transportation. Sharps must be collected in Puncture Proof Container containing disinfectant after their mutilation with needle syringe terminator/Hub cutter and disposed into the local sharp pit. Mutilated infected plastics must be collected and properly disinfected/autoclaved by the OS agency before shredding in designated shredder. The person identified for collection of Bio-Medical Waste must carry a register with him to maintain the record such as name of the generation point, type and quantity of waste received, signature of the authorized person, day and time of collection, etc.
 15. Agency has to give attention such, that no Untreated Biomedical Waste should be kept anywhere in the hospital premises except the designated and purposefully designed containment area beyond 48 hours.
 16. The collection and transportation of Bio-Medical Waste shall be carried out in a manner so as to avoid any possible hazard to human health and environment. The timing of collection of the waste will be preferably before 8.00 AM daily and in the evening before 6 PM.
 - a. The Bio-Medical Waste collected in biodegradable Polybags/containers shall be collected from generation points of HCEs and transported to the designated BMW Management unit located at Malkangiri or offsite BMW treatment plant in a fully covered vehicle. Such vehicle must be labelled with bio hazard Symbol and dedicated for transportation of Bio Medical Waste only and to be provided by the OS Agency Organization.
 - b. The OS agency must clearly understand that the quoted price(per bed & Per Km) includes the cost of the specified poly bags, HR Wages & the transportation including fuel.

-
- c. The requisite out sourcing charges as finalised to be paid by the concerned authority on production of the bill as per the MOU.
 - d. For collection of Bio-Medical Wastes from the hospitals, it should be kept in mind that, the supplied route chart to be followed for minimum distance. On the event of travel on different route leading to more kilometres will not be allowed and will be limited to the plan. However a deviance of 5 kms per day is admissible. The approx travel may be 1700 to 1800 Km per month. A copy of the route chart can be shared at the pre bid meeting.
- 17.** Agency will be responsible for collection, transportation & disposal of general waste and glass vials by coordinating with Municipality/NAC/local authorities of the district.
- 18.** As per the provision of Biomedical Waste Management & Handling Rule-2016, it is mandatory to segregate, collect, transport, store, treat & dispose BMWs generated from the HCEs.
- 19.** The BMW equipment such as Autoclave & Shredder located at Malkangiri/ at CHC level will be utilised by the OS agency. Minor repairs & regular maintenance will be made in consultation with the supply firm while the electric charges will be borne by the institution. A separate register for registering the complains regarding the BMW Equipment may maintained by the OS agency.
- 20.** The Contractor/ Outsourcing Agent shall maintain all the records related to Bio-Medical Waste Management of all the units. Daily records shall be maintained for the waste accepted and treated waste removed from the site. This record shall include the following minimum details.
- a. Waste Accepted: waste collection date, name of the generation point, waste category as per the rules, quantity of the waste, vehicle number and receiving date (at site).
 - b. Treated waste removed: Date, treated waste type, quantity, vehicle number and location of disposal.
 - c. Log Book: A log book shall be maintained for each BMW equipment installed at the site and shall include the following:
 - i. The weight of each batch.
 - ii. The categories of waste as per the rules.
 - iii. The time, date and duration of each treatment cycle and total hours of operation.
 - iv. The complete details of all operational parameters during each cycle
 - v. Accident reporting Register is to be developed and maintained.
 - d. Site Records: Site records shall include the following:
 - i. Details of construction or engineering works of the pits.
 - ii. Maintenance schedule, breakdowns/trouble shootings and remedial action.
 - iii. Emergencies
 - iv. Incidents of unacceptable waste received and the action taken thereof.
 - v. Details of site inspections by the officials of the regulatory agency and necessary action on the observations.
-

-
- vi. Daily, monthly and annual summery records of all the above shall be maintained and made available at the site for inspection whenever required by regulating Officer on Inspection.
21. Manpower engaged by the Service Provider should not claim any type of compensation/ absorption/ regularisation/ benefit (Health Related also) of service from this office under Industrial Dispute act, 1947 & Contract Labour Act 1970.
 22. The Manpower of the outsourcing agency should not consume alcohol, betel, smoking during the duty hour nor be involved in any type of criminal activities.
 23. This office (SDH/CHC) will maintain attendance register of the staffs engaged by the OS Agency/Organisation. The agency will have to prepare duty list & submit to the office as mentioned above by 25th for next month. Absent from duty not allowed at any cost. However the agency should have to make alternative arrangements with due approval by the concerned Authority.
 24. After the allotment of the work, the said Agency/Organisation shall have to sign an MOU with the concerned authority regarding the detail scope of services to be executed.
 25. The said contract will work for a period of **one year** from the date of agreement and that will be renewed for further if found satisfactory by the concerned CDMO of district. During this period if at any stage of time, the Hospital Authority finds noncompliance of the assigned work, the said OS agency/Organization for BMW will be served with a notice period of one month and if still non compliance is there, the said contract will be cancelled.
 26. After allotment of the order, the Outsourcing agent shall execute the service within 15 days of the issue of letter.
 27. The Outsourcing agency/Organization has to sign a Memorandum of Understanding (MOU) with the concerned Authority (CDM&PHO/SDMO/MO I/C) on the day of execution of the work orders.
 28. The final monthly bill in triplicate to be submitted along with the consolidated monthly report to CDM&PHO/SDMO/MO I/C (who ever have signed MOU with the OS agency/Organisation) on 1st week of each month.
 29. Besides, the Outsourcing agent has to submit Monthly Progress Report/Status report duly signed by the Block Programme Manager / Matron/Staff Nurse with remarks to the MO I/C CHC, SDMO, ADMO(Med), CDM&PHO as the case may be without fail. Three consecutive Adverse Remarks may be treated towards cancellation of the Contract.
 30. The Outsourcing Agency shall be under the Administrative Control of the CDM&PHO/ADMO(Med)/ SDMO/MO I/C CHC and the work will be supervised by the Hospital Managers/ JHM/BPM/ Matron & SN.
 31. The number of workers to be engaged by the Outsourcing Agency. (To be mentioned by the Tenderer)
 32. All the legal disputes are subject to the jurisdiction of the District Court only.

PENALTY

33. In case of deficiencies in providing quality service, the authority will have the right to impose penalty as per decision of the BMW Committee which shall be deducted from the monthly bill.

FINANCIAL
