SECTION-05 GENERAL INFORMATION

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

1.1 Name of the Work:

As mentioned in the e-Procurement Notice:

EOBLMT01-2020-21 from Sl. No. 1 as per BoQ attached.

1.2 Tender Documents and Cost:

The Valid Firms / Companies / Registered contractors fulfilling the eligibility criteria can download the tender paper from the website www.tendersorissa.gov.in as mentioned in e-tender call notice

1.3 Date of Sale of Tenders:

The tender documents will be sold during the period as indicated in the e-Tender Call notice.

1.4 Site Inspection by Tenderer:

Before tendering for the works, the tenderer must acquaint and satisfy himself fully on the site conditions, all information included herein, all limitations and official regulations at the site of work etc. Failure to comply with the above requirements will not relieve a tenderer of his obligations and no claim what-so-ever shall be entertained on the ground of ignorance of site or other conditions prevailing in the area. Any further data required during the execution of the scheme shall be ascertained by the contractor at his own cost. The offer should cover all costs required to suit to the site conditions etc.

1.5 Registration Certificate

Tenderers are required to a valid registration certificate and submit a copy of Registration Certificate along with their tenders failing which their tenders will not be considered.

1.6 Additional Performance Security:

As mentioned in the e-Procurement Notice EOBLMT01-2020-21 Additional Performance Security shall be obtained from the bidder when the bid amount is less than the estimated cost put to tender. In such an event, the bidders who have quoted less bid price/rates than the estimated cost put to tender shall have to furnish the exact amount of differential cost i.e. **estimated cost put to tender minus the quoted amount** as Additional Performance Security in shape of Demand Draft / Term Deposit Receipt pledged in favour of the Executive Officer, N.A.C. Balimela before issue of Work order

The bids of the technically qualified bidders will be opened for evaluation of the price bid. In case of the bidders quoting less bid price/rate than the estimated cost put to tender and have not furnished the exact amount of differential cost (i.e. estimated cost put to tender minus the quoted amount) as Additional Performance Security in shape of Demand Draft / Term Deposit Receipt, Work Order would not be issued even if they have qualified in the financial bid.

Submission of Additional Performance Security is mandatory irrespective of any category of Contractors including SC/ST/Engineering contractors.

(Amendment to para-3.5.5(V) of Note-II of OPWD Code, Vol-I by modification)

1.7 Tender Language:

The tenders shall be made in English language only. All other information such as documents and drawings supplied by the tenderer will also be in English language.

1.8 No Claim for Cancellation of Tenders:

No claim shall be entertained towards any expenses made by any tenderer for submission of the tender in case of cancellation, deferment, rejection or withdrawal of the tender.

1.9 Corrections in Tenders:

Tenders containing alterations and overwriting are liable to be rejected. Any corrections made by the tenderer must be authenticated duly by dated initials of the authorized signatory of the tenderer.

1.10 Time of completion:

The time of completion of the work shall be 6 months for building works and 60 days for other works from the date of issue of work order.

1.11 Discrepancies:

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

In case of any discrepancy in the description of the items in this Detailed Tender Call Notice, the decision of the Executive Officer, N.A.C. Balimela shall be final, binding and conclusive for the purpose of this contract.

1.12 Validity of Tender:

The tender submitted shall remain valid for 90 days from the date of opening of the price-bid and may be extended at the discretion of the tenderer, if so needed by the Executive Officer, N.A.C. Balimela.

1.13 Execution of Agreement:

The successful tenderer (hereinafter called the contractor) shall execute an agreement with the Executive Officer, N.A.C. Balimela within 7 days of issue of letter of intend (LOI). In case this is not complied with the LOI shall be cancelled with forfeiture of EMD, Additional performance security.

SECTION-06

CONDITIONS OF CONTRACT

2.1 The party whose tender is accepted hereinafter called the contractor is to provide everything of every sort and kind (with the exceptions noted in the schedule attached) which may be necessary and requisite for the due and proper execution of the several works included in the contract according to the true intent and meaning of the drawings and specification taken together, which are to be signed by the Executive Officer, N.A.C. Balimela, here in after called the Executive Officer and the contractor whether the same may or may not be particularly described in the specification or shown on the drawing provided that the same are reasonably and obviously to be inferred there from and in case of any discrepancy between the drawings and the specifications the Executive Officer is to decide which shall be followed.

2.2 The contractor is to set out the whole of the works in conjunction with an officer to be deputed by the Executive Officer and during the progress of the works to amend on the requisition of the Executive Officer any errors which may arise therein and provide all the necessary labour and materials for doing. The contractor is to provide all plant labour and materials (with the exception noted in Schedule) which may be necessary and requisite for the works. All materials and workmanship are to be the best of their respective kinds. The contractor is to leave the works in all respects clean and perfect at the completion thereof.

2.3 The contractor shall not employ for the purpose of this contract any person who is below the age of 15 years, and shall pay to each labourer, for the work done by such labourer, fair wages. Fair wages means wages whether for time or piece work. Prescribed by the State P.W.D. provided that where higher rates have been prescribed under the minimum wages Act,1948, wages at such higher rates should constitute fair wages.

The Executive Officer shall have the right to enquire into and to decide any complaint alleging that the wages paid by the contractor to any labourer for the work done by such labourer is less than the wages paid for similar work in the neighbourhood.

The Officer-in-charge of the work shall have the right to decide whether any labourer employed by the contractor is below the age of 15 years and to refuse to allow any labourer whom he decides to be below the age of 15 years, to be employed by the contractor.

2.4 Complete copies of the drawing and specifications signed by the Executive Officer and the same or copies thereof are to be kept with the works in-charge of the contractor's agent which is to be constantly kept on the ground by the contractor and to whom instructions can be given by the

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

Executive Officer. The Contractor is not to sublet the works or any part thereof without the permission of Executive Officer.

- 2.5 The Executive Officer is to have at all times access to the works which are to be entirely under his control. He may require the contractor to dismiss any person in the contractor's employ upon the works who may be incompetent or misconduct himself and the contractor is forthwith to comply with such requirements.
- 2.6 The contractor is not to vary or deviate from the drawings or specifications or execute any extra work of any kind whatsoever unless upon the authority of the Executive Officer to be sufficiently shown by any order in writing, by any plan or drawing expressly given and signed by him as an extra or variation or by any subsequent written approval signed by him. In case of daily labour all vouchers for the same are to be delivered to the Executive Officer or the Officer-in-Charge at least during the week following that in which the work may have been done and no day work shall be allowed unless authorised by the Executive Officer and no such authority shall be given if the work is capable of being measured and being paid for at an agreed rate. The drawing in respect of which this contract is drawn up provide for a minimum depth of foundation for good soil as specified in the plans. Any extra depth will be measured as an extra when the foundation trenches have been opened up and will be paid for in addition to the sum contracted for the completed work.
- 2.7 Any authority given by the Executive Officer for any alterations or addition in or to the works is not to vitiate contract but all additions omissions or variations made in carrying out the works are to be measured and valued and certified by the Executive Officer and added to or deducted from the amount of the contract as the case may be at rates in accordance with the sanctioned schedule of rates in force at the time when the particular item of work was commenced. In those cases in which rates do not exist, the Executive Officer will fix the rates to be paid and his decision shall be final.
- 2.8 All works and materials brought and left at site by the contractor or by his orders for the purpose of forming part of the works are to be considered to be the property of the N.A.C. Balimela and the same are not to be removed or taken away by the contractor or any other person without the special permission in writing of the Executive Officer.
- 2.9 The Executive Officer has full power to require the removal from the premises of all materials which, in his opinion, are not in accordance with the specification and in case of default, the Executive Officer is to be at liberty to sell such materials and to employ other persons to remove the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The Executive Officer is also to have full power to require other proper materials to be substituted and in case of default, the Executive Officer may cause the same to be supplied and all costs which may attend such removal and substitution are to be borne by the contractor and may be recovered from the sale proceeds of such rejected materials when necessary, the balance, if any, being kept in deposit in the contractor's favour.
- 2.10 If in the opinion of the Executive Officer any of the works have been executed with improper materials or defective workmanship, the contractor is then required by the Executive Officer forthwith to re-execute the same and to substitute proper materials and workmanship and in case of default of the contractor in so doing within a week, the Executive Officer is to have full power to employ other to re-execute the work and the cost thereof shall be borne by the contractor.
- 2.11 Any defects, shrinkage or other faults which may appear within 6 (Six) months from the completion of the work arising out of defective or improper materials or workmanship are upon the direction of the Executive Officer to be amended and made good by the contractor at his own cost unless the Executive Officer for reasons to be recorded in writing shall decide that they ought to be paid for and in case of default, the N.A.C. Balimela may recover from the contractor the cost of making good the works.
- 2.12 From the commencement of the works to the completion of the same they are to be under the contractor's charge. The contractor is to be held responsible for and to make good all injuries, damages and repairs occasioned or rendered necessary to the same by fire or other causes and they are to hold the N.A.C. Balimela harmless from any claims for injuries to persons or labour or for

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

structural damage to property happening from any neglect, default, want of proper care or misconduct on the part of the contractor or of any one of his employees during the execution of the works.

- 2.13 The Executive Officer is to have full powers to send workmen upon the premises to execute fittings and other works not included in the contract for whose operations the contractor is to afford every reasonable facility during ordinary working hours provided that such operations shall be carried on in such a manner as not to impede the progress of the work included in the Contract but the contractor is not to be responsible for any damage which may happen to or be occasioned by any such fittings or other works.
- 2.14 The contractor is to commence work comprised in this tender immediately on receipt of orders to commence from the Executive Officer. The whole work, including all such additions and variations as aforesaid (but excluding such, if any, as may have been postponed by an order from the Executive Officer), shall be completed in every respect within stipulated period, from the date of the aforesaid orders to commence and if from any cause whatever other than wilful obstruction or default on the part of the Executive Officer or his staff and except as hereinafter provided, the whole of such work shall not be finished to the satisfaction of the Executive Officer within the said period, the contractor shall forfeit EMD, APSD, SD and pay to N.A.C. Balimela by way of ascertained and liquidated damages for each default and not by way of penalty 0.5% (zero point five percent) per week of the uncompleted portions of the work to a maximum of 10% (ten percent) of the estimated cost of the work, interim delay not subject to scrutiny, per day for every complete day of such default and the amount of such damage, if any, may be deducted by way of set-off from any unpaid portion of the amount due under the contract or otherwise recovered from the contractor and shall be brought into account by the Executive Officer when settling the contractor's accounts for his final certificate hereinafter provided for . And further, to ensure progress during the execution of the works, the contractor shall be bound in all cases in which the time allowed for any works exceeds one months, to complete one-fourth of the whole of the works before one-fourth of the whole time allowed under the contract has elapsed; one-half of the works, before one-half of the whole time has elapsed and three-fourths of the works, before three-fourth of such time has elapsed. In the event of the contractor failing to comply with this condition he shall be liable to pay the damages of as aforesaid of 0.5% (zero point five percent) per week of the uncompleted portion of the work subject to a maximum of 10% (ten percent) of the uncompleted work, interim delay not subject to scrutiny, per day for every complete day of such default and amount of such damages may be deducted in the way as stated above. Provided nevertheless thus if in the opinion of the Executive Officer that the contractor is entitled to any extension of time on account of the works being altered, varied or added to or on account of any delay by reason of any inclement weather or causes not under the control of the contractor it shall be competent for the Executive Officer by an order in writing to extend the aforesaid period or periods for final completion of the whole work or of portions of the work as aforesaid by such period or periods as he shall deem reasonable and the contractor is to complete the works within such extended period or periods as aforesaid provided that the contractor shall not be entitled to any extension of time unless he shall within thirty days after the happening of the event in respect of which shall consider himself entitled to any extension, give to the Executive Officer, written notice of such claim to extension of time and of the ground or grounds and of the amount there of unless in any case the Executive Officer shall in his discretion dispense with such notice and certify for an extension of time. Nevertheless and in case of any extension of time, the aforesaid provisions and amount for damages in default of due completion shall apply in case of non-completion of the works within the extended time. Provided that Contractor shall not be entitled to any extension of time in respect of the extra work involve in the extra depth of foundation.
- 2.15 If the contractor shall become bankrupt or compound with or make any assignment for the benefit of his creditors or shall suspend or delay the performance of his part of the contract (except on account of cause mentioned in Clause 7-14 or in consequence of not having proper instructions for which the contractor shall have duly applied) the Executive Officer may give to the contractor or his assignee or trustee as the case may be notice requiring the works to be proceeded with and in case of default on the part of the contractor for a period of 7 days, it shall be lawful for the Executive Officer to rescind the contract, if necessary, and to enter upon and take possession of the work and to employ any

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

other person to carry on and complete the same and to authorise him or them to use the plant, materials and property of the contractor upon the works and the costs and the charge incurred in any way in carrying on and completing the said works are to be paid to the Executive Officer by the contractor or may be set off by the Executive Officer against any money due or to become due to contractor. If the assignee or trustee of the Contractor proceeds with the work, the conditions of this contract shall be binding upon the said assignee or trustee.

- 2.16 The Contractor shall be paid on the completion of each calendar month commencing from the date on which work is started a sum equal to 95 percent of total value of work done since the last payment according to the certificate of the Executive Officer. The remaining 5% will be retained by the Executive Officer as security for the due performance of Contract and Contractor shall not be entitled to get refund of his security after completion of the work & audit. The Executive Officer may however at his option refund at an earlier date such portion of the security as he may deem advisable. Provided always that no final or other Certificate is to cover or relieve the Contractor from the liability under the provision of Clause-7.11, whether or not the same be notified by the time or subsequently to the granting of any such Certificate.
- 2.17 A Certificate of the Executive Officer or an award of the referee hereinafter referred to as the case may be showing the final balance due or payable to the contractor is to be conclusive evidence of the works having been duly completed and that the contractor is entitled to receive payment of the final balance, but without prejudice to the liability of the contractor.
- 2.18 **GUARANTEE**
The work should be guaranteed for satisfaction operation and trouble free service for a period of 24 months from the date of completion. Any defect noticed during this period shall be made good by the supplier free of cost provided such defects are attributed to faulty design, workmanship and bad materials used. The above guarantee certificate shall be furnished in triplicate for approval. The contractor is to furnish performance Bank Guarantee for 5 % of the order value valid up to the guarantee period. **Provide an affidavit.**
- 2.19 **Materials & Workmanship**
The materials should conform to the latest I.S. Specified and the workmanship should be of the best quality. Bidder should furnish dimensioned drawings, illustrative pamphlets and literature for the materials they offer along with the tender. The authorized dealership certificate, if any, should be furnished along with tender.
- 2.20 **TEST CERTIFICATE**
The test certificate from the Manufacturers shall be furnished for scrutiny and approval well in advance of dispatch of materials.
- 2.21 **INSPECTION**
The authorized inspection officer after certifying the work, it will be treated as completed.
- 2.22 **ACCEPTANCE**
The successful bidder on receipt of the work order / letter of indent should intimate its acceptance within 7 (Seven) days of receipt of order, failing which the order will be automatically stand cancelled with forfeiture of earnest money deposit and APSD as applicable.
- 2.23 **CANCELLATION OF THE TENDER**
The authority reserves the right to alter the tender quantity and reject / accept any or all tender or split the tender among the bidders without assigning reason thereof.
- 2.23 **JURISDICTION OF THE COURT OF ODISHA**
Suits if any, arising out of the contract shall be filled by either parties in any court of Law to which the jurisdiction of the High Court of Odisha extend. The Bidder who does not adhere to this clause will be rejected.

SECTION-07

SPECIAL CONDITIONS OF CONTRACT

3.1 Action where no Specification is mentioned:

In the case of any class of items of works, for which no specification is mentioned, such work(s) shall be carried out in accordance with the detailed standard specifications of Odisha as followed by the State PWD/PHD and in the event of there being no specification, in such case the said item of work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer-in-charge.

3.2 Workmen Compensation Act VIII of 1923:

The N.A.C. Balimela shall be entitled to recover in full from contractor any amount that the N.A.C. Balimela may be liable to pay under Workman's Compensation Act VIII of 1923 to any workman employed in course of execution of any part of the work covered by this contract.

3.3 Jurisdiction in the Event of Dispute:

That for the purpose of jurisdiction in the event of dispute if any, the contract should be deemed to have been entered into within the Notified Council and it is agreed that neither party to this agreement will be competent to bring a suit in regard to the matters covered by this contract at any place.

3.4 Lighting & Sanitary Arrangement:

Lighting & Sanitary arrangement and supply of drinking water will be made by the Contractor at his own cost for his labour camp.

3.5 Payment of Duties, Levies & Taxes:

The Contractor shall bear all taxes including duties, levies, Central and State sales tax including work contract tax, entry tax, Income tax, royalties, fair weather charges, and tollages where necessary & N.A.C. Balimela shall not entertain any claim whatsoever in this respect. Statutory deduction of taxes as applicable shall be done from each running bill.

3.6 Site Clearance:

After the work is finished or completed, surplus materials and debris are to be removed by Contractor at his own cost and preliminary works such as vats, mixing platforms, level pillars, temporary sheds and godowns etc. are to be dismantled and all such materials removed from site. The site involved in the construction activities should be cleared and dressed properly with outward slope away from the structure. After the work is completed in all respects as per the contract, the contractor shall vacate the site within three months from the date of completion & commissioning, by making good the damages if any.

3.7 Works to be Carried Out

The work to be carried out under the contract shall include all materials, labour, tools and plants, equipment and transport which may be required in preparation of and for in the full and entire execution and completion of the works. The description given in the schedule of quantities/scope of work shall, unless otherwise stated, be held to include wastage on materials, carriage & cartage, carrying and return of empties, hoisting, setting, fitting and fixing in position and all other labours necessary in and for the full and entire execution and completion of the work as aforesaid in accordance with good practice and recognized principles.

3.8 Sufficiency of Tender

The contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the schedule of quantities, which rates and prices shall, except as otherwise provided, cover all his obligations under the contract and all matters and things necessary for the proper completion of the works.

3.9 Rates:

CONTRACTOR

-Sd-
Executive Officer,
N.A.C. Balimela

The offer shall be inclusive of cost of all materials, labour, T&P, inclusive of all duties, levies, taxes of Central and State Government including Works Contract tax with surcharge, entry tax, tollages, royalties, packing and forwarding, transportation, insurance, loading & unloading, storage, watch and ward, delivery of the materials to the site etc. and all other expenses incidental thereto for successful completion, testing & commissioning of the work.

3.10 Transportation:

The contractor shall be responsible for the transportation of all materials, tools and plant, equipment and machinery to the work site as may be required at site.

3.11 Custody of the Materials:

The contractor shall be responsible for safe custody of the materials at site and the N.A.C. Balimela will not be responsible for any loss or damage of the property at site.

3.12 Construction Schedule:

The contractor shall submit a detailed work schedule in the form of Bar Chart along with his tender indicating the detailed break-up of the job. This will include all operations from procurement of materials to final testing at site to be indicated in detail with reference to the time period for each.

The construction schedule as submitted by the contractor shall be revised by the Executive Officer and approved with necessary modification if any after acceptance of the tender. The contractor shall furnish 6 copies of the approved schedule within a time to be intimated to him before draw of the agreement. The approved Bar Chart shall form a part of the agreement. This approved schedule shall be binding on the contractor.

3.13 Monitoring of the Project:

Time is the essence of the contract. The execution of the project shall be closely monitored to ensure that quality; cost & time of the project are not compromised in any manner.

The contractor shall submit monthly progress reports in a format as may be prescribed by the Engineer-in-charge. The monthly progress report shall be evaluated by the Executive Officer vis-à-vis the approved bar chart and any deficiency observed thereto shall be communicated to the contractor. The contractor shall have to make up the deficiencies within the specific time period communicated to him by the Executive Officer failing which the contractor shall be liable for action as per clause-8.25.

In addition, the contractor shall submit monthly, day wise work program one month in advance to Executive Officer to ensure speedy implementation of the work and effective monitoring at all levels. Failing to do so shall also invite action under clause 8.25.

3.14 Site Order Book:

A site Order Book shall be issued to the contractor by the Engineer-in-charge or his representative. The contractor shall keep this Book always at site and any special order or instruction to be issued to the contractor shall be recorded in this Book by the Engineer-in-charge or his representative. The contractor shall sign all orders and instructions as token of his knowledge about the same. The site Order Book shall be the property of the department but will remain during the period of the progress of the work with the contractor. The safe custody of the site Order Book during this period shall be the responsibility of the contractor. After completion of the work, the Book shall be returned back by the contractor to the Engineer-in-charge, which will be enclosed in the final bill.

3.15 Unilateral stoppage of work:

Unilateral stoppage of work by the contractor without prior written permission of the Engineer-in-charge shall be considered as breach of contract and the N.A.C. Balimela reserves the right to take such actions as it may be deemed fit.

3.16 Damages to Persons and Property:

The contractor shall take every precaution not to damage or injure adjoining or other property of any persons. He shall indemnify and keep indemnified the employee against all claims for injuries or damages to any person or any such property (including surface or land or crops in site) which may arise out of or in consequence of any negligence or default on the representatives and against all

claim, demands proceedings damages, costs, charges and expenses whatsoever in respect of or in relation thereto. The council does not take any responsibility on this account.

3.17 Attention to Urgent Works:

If any urgent work in the opinion of Engineer-in-charge becomes necessary to be executed and the contractor is unable and unwilling at once to carry out, the Engineer-in-charge may by his own or through other agency carry it out, as he may consider necessary. All expenses incurred on it shall be recoverable from the contractor or be adjusted against any sum payable to him.

3.18 Safety Devices:

i) *Scaffolding*: Suitable scaffolding shall be provided for workmen for all works that can not be safely done from the ground or solid construction except such short period of work as can be done safely from the ladders. When a ladder is used an extra labour shall be engaged for holding the ladder and if the ladder is used in carrying the materials, suitable foot holds and handholds shall be provided on the ladder.

The Engineer-in-charge will have the right to inspect the scaffolding and centring etc. for the work and can reject partly or fully such structure if found defective in his opinion.

ii) *Working platforms*: Working platforms, gangways and stairways shall be constructed such that they do not sag unduly or unequally. If the height of the platforms or gangway or stairway is more than 3.25 meters above the ground or floor level, it shall be closely guarded, have adequate width and suitably fenced.

iii) *Safe means of access*: Safe means of access shall be provided to all working platform and other working places.

iv) *Precaution against electrical equipment*: Adequate precaution shall be taken to prevent danger from electrical equipment. Hand lamps shall be provided with Mesh guard, wherever required.

v) *Preventing public from accident*: No materials on any of the sites shall be so stacked or placed as to cause danger or inconvenience to any person or public. The contractor shall provide all necessary fencing and light to protect the public from accident and shall be bound to bear expenses of defence or any suit action or other proceedings at law that may be brought by any persons for injury sustained owing to neglect of the above precaution and to pay any damages and cost which may be awarded in any such suit action or proceedings to any such person or which may with the consent of the contractor, be paid to compromise any claim by any such person.

vi) *Demolition*: Before any demolition work is commenced and also during process of work: a) all roads and open areas adjacent to the work site shall either be closed or suitably protected, b) no electric cable or apparatus which is liable to be a source of danger shall remain electrically charged, c) all practical steps shall be taken to prevent danger to persons employed from the risk of fire, explosion or flooding, d) no floor roof or other parts of the building shall be so over loaded with debris or materials as may render it unsafe.

vii) *Personal safety equipment*: All personal safety equipment shall be made adequately available by the contractor for use of persons employed at the site of work and maintained in a condition suitable for immediate use. The contractor shall take adequate steps to ensure proper use of the equipment by persons concerned.

viii) *Precaution against fire*: Suitable fire extinguishers, water and sand buckets shall be provided at the work site to tackle situations of fire.

3.19 Rescission of Contract:

Subject to other provisions contained in this clause the Executive Officer may without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, recommend the accepting authority to rescind the contract in any of the following cases:

- i) If the contractor having been given by the Executive Officer a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or unworkman like manner shall omit to comply with the requirement of such notice for a period of seven days thereafter.
- ii) If the contractor being a company shall pass a resolution on the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or the creditor to appoint a receiver or a manager or which entitle to court to make a winding up order.
- iii) If the contractor has, without reasonable cause, suspended the progress of the work with due diligence so that in the opinion of the Executive Officer (which shall be final & binding) he will be unable to secure completion of the work by the date of completion and continues to do so after a notice in writing of seven days from the Executive Officer.
- iv) If the contractor fails to comply with the provisions of clause-8.15 & other relevant clauses mentioned elsewhere in this DTCN.
- v) If the contractor fails to complete the work within the stipulated date or items of the work with individual date of completion, if any stipulated, on or before such date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Executive Officer.

When the contractor made himself liable for action under any of the cases aforesaid, the accepting authority (Executive Officer) shall have the power to rescind the contract (of which rescission notice in writing to the contractor under the hand of Executive Officer, shall be conclusive), 20% of the value of the left over work will be realized from the contractor as penalty.

3.20 Fair wages clause:

Clause 34(a) – The contractor shall not employ for the purpose of this contract any person who is below the age of twelve years and shall pay to each labour for work done by such labour fair wages.

Explanation – “Fair Wage” means wages, whether for time or piece work prescribed by the State Public Works Department provided that where higher rates have been prescribed under the minimum wages Act 1948 wages at such higher rates should constitute fair wages.

The Executive Officer shall have the right to enquire into and decide any complaint alleging that the wages paid by the contractor to any labourer for the work done by such labourer is less than the wages as per sub-paragraph-I above.

(b) The contractor shall, notwithstanding the provisions of any contract to contrary, cause to be paid a fair wage to labourers indirectly engaged on the work including any labour engaged by his sub-contractors in connection with the said work, as if the labourers had been immediately employed by him.

(c) In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this agreement, the contractor shall comply with or cause to be complied with all regulations made by Government in regard to payment of wages, wage period deductions from wages, recovery of wages not paid and deductions unauthorized made, maintenance of wage register, wage cards, publication of scale of wages and other terms of employment, inspection and submission of periodical returns and all other matters of a like nature.

(d) The Executive Officer or municipality engineer concerned shall have the right to deduct, from the money due to the contractor, any such required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfillment of the conditions of the contract for the benefit of the workers non-payment of wages or of deduction made from his or their wages, which are not justified by their terms of the contract or non-observance of the regulations. Money so deducted should be transferred to the workers concerned.

(e) The municipal governing body, the contractor shall be primarily liable for all payments to be made under and for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-contractor.

(f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be breach of this contract.

3.21 Display of notices regarding wages, etc. -

The contractor shall -

(a) Before he commences his work on contract display and correctly maintain and continue to display and correctly maintain, in a clean and legible condition, in conspicuous places on the work, notices in English and in the local Indian language spoken by the majority of the workers, giving the rate of wage prescribed by the State Public Works Department / Electricity Department for the district which the work is done.

(b) Send a copy of such notices to the Engineer-in-charge of the work

3.22 Payment of wages -

(1) Wages due to every worker shall be paid to him direct.

(2) All wages shall be paid in current coin or currency or in both.

3.23 Powers of Labour Welfare Officers to make investigation or enquiry -

The Labour Welfare Officers or any other persons authorized by the Government of Orissa on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of the fair wage clauses and the provisions of these regulations. He shall investigate into any complaint regarding default made by the contractor, sub-contractor in regard to such provisions.

3.24 Report of Labour Welfare Officers -

The Labour Welfare Officer or others authorized as aforesaid shall submit a report of the results of his investigation or enquiry to the Executive Officer concerned, indicating the extent, if any, to which the default has been committed with a note that necessary deductions from the contractor bill be made and the wages and other dues be paid to the labourers concerned.

3.25 Appeal against the decision of Labour Welfare Officer -

Any persons aggrieved by the decision and recommendation of the Labour Welfare Officer or other person so authorized may appeal against such decision to the Labour Commissioner within 30 days from the date of decision forwarding simultaneously a copy of his appeal to the Executive Officer concerned but subject to such appeal, the decision of the officer shall be final and binding upon the contractor.

3.26 Amendments -

The Government of Orissa may from time to time, add to or amend these regulations and on any question as to the application, interpretation or effect of these regulations, the decision of the Labour Commissioner or any other person authorized by the Government of Orissa in that behalf shall be final.

3.27 The terms and conditions of the agreement have been read by me/us and I/ we certify that I/We clearly understand them and agree to abide by them.

DECLARATION BY THE TENDERER:

1. I have visited the site and have fully been acquainted myself with the local situation regarding materials, labour and the factors pertaining to the work before submitting the tender.
2. I have carefully studied the conditions of the contract specification and other documents of this work and I agree to execute the same accordingly.
3. I solemnly pledge that I shall be sincere in discharging my duties as responsible contractor and complete the work within the prescribed time limit. I shall submit detailed construction programme with target dates for various items and stages of work keeping in view the time limit and shall accordingly arrange for necessary labours, materials, and equipments etc., punctually. In case there are deviations from the construction programme, I shall abide by the decision of the Engineer-in-charge for revision of the programme and shall arrange for labour, materials, equipments etc
4. I shall follow all rules and regulations of the state in force with regard to engagement of labour for the work.
5. No one my relative (above the rank of Assistant Engineer) working in this office.
6. The documents furnished with the tender are correct to the best of my knowledge and belief and if any information found to be incorrect in future, the Department has the liberty to take any action as deemed fit.

Signature of the Tenderer

SECTION – 11

SCOPE OF WORK

PART-I: GENERAL

1. Location:

Town	:	N.A.C. Balimela.
District	:	Malkangiri
State	:	Odisha
Railway Station	:	Jeypore (Koraput)

2. Scope of Work : - The scope of work shall cover Construction Works as detailed in DTCN.

3. Site Visit : - The tenderer shall inspect the proposed site at NAC Balimela at his own cost and shall satisfy himself with regard to the nature and extent of the work involved, the actual facilities & shall collect any other information which may be required before submitting the tender. Any claim after awards by the tenderer shall not be entertained, on account of the ignorance of the site conditions.

4. Format Language and Units:

The language of all documents shall be in English. Units of measurement in the documents, on the drawings, and the submissions shall be in S.I/ Metric Units.

5. Construction & Erection Facilities:

Water, power, accommodation and storage of materials for construction, erection, fabrication at site shall be arranged by the contractor at his own cost. The power supply & consumption during the construction stage shall be the responsibility of the contractor & no extra payment shall be made on account of this.

6. Inspection & Testing:

For all materials, the contractor shall furnish Manufacturer's test certificate with each consignment. At site, Testing and inspection shall be carried out as per Indian standards/International Standards in presence of Engineer-in-Charge, contractor and manufacturer. The contractor shall detail out the codes and standards in accordance with which the testing shall be carried out.

Inspection by the Engineer-in-charge of the Department shall not relieve the contractor of his liability for rectifying the defects which may subsequently appear or be detected during testing and commissioning or subsequent operation. After rectification of the defects or replacement, the equipments shall be re-tested to the satisfaction of the Department.

All equipments, labour, tools & tackles, instruments and other facilities for testing shall be provided by the contractor. He shall also maintain records of all the tests and furnish copies of the same to the Department.

Whenever untested materials are used, written permission from the Engineer-in-Charge shall be obtained. Manufacturer's test certificates shall be furnished by the contractor for such equipments and materials used.

The Department reserves the right to test any material at any of the reputed laboratories if necessity arises & the cost of such test(s) shall be borne by the contractor & rejected materials shall have to be replaced by the contractor by approved material at his cost.

7. Completion Schedule:

The time is the essence of this contract. The entire job is to be completed within a time frame of **90 Days** from the date of issue of work order by the Executive Officer, N.A.C. Balimela. The tenderer shall submit a Bar Chart indicating starting and completion dates of each activity.
