REQUEST FOR EXPRESSION OF INTREST (EOI)

Implementation Research study to sickle Cell Disease project for Sickle Cell Disease Screening, diagnosis, treatment and care.

Position Title: Research Officer

Location: Odisha (Field-based, with preference for Malkangiri District)

Applications are invited from qualified and committed individuals for a field-based research position under a public health project in Odisha. The role involves active participation in fieldwork, data collection, district-level coordination, and reporting.

Essential Qualifications:

- MBBS / BDS with PhD in Public Health / Epidemiology (Thesis submitted candidates are also eligible)
- Minimum 4 years of field-based public health research experience, preferably in Odisha
- Minimum of one research paper published in a reputed peer-reviewed journal

Desirable Experience:

- Experience in conducting field surveys and large-scale health-related data collection.
- Experience in district-level health program implementation.
- Prior engagement with ICMR-supported projects.
- Ability to plan, analyze, and disseminate field research reports
- Proficiency in SPSS or equivalent statistical analysis tools

Additional Consideration:

- Preference will be given to candidates residing in Malkangiri District

Terms of Appointment:

- Initial appointment will be project-based
- The final selection and appointment will be at the sole discretion of the competent authorities, following an interview
- Negotiable honorarium will be paid to the Research Officer.

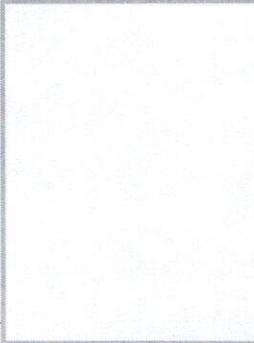

Beed
