 - 13 For the purpose of the jurisdiction, in the event of dispute if any, it is agreed that neither party to the agreement will be competent to bring any suit with regards to the matter covered by this contract at any place outside Malkangiri.
 - 14 It is contractor's responsibility to correctly demarcate the lay-out and orientation of the building etc. and fixation of level pillars at site as directed by the Asst. Engineer or Junior Engineer. All expenditure in connection with tools and plants, instrumental materials etc., shall be borne by the contractor.
 - 15 After the work is finished, all surplus materials and debris shall be removed, preliminary work such as mixing plates etc., are to be dismantled and all the materials removed from the site and ground upto 30mtrs. wide from the building etc. should be cleaned and dressed by the Contractor at his own cost. The net rate quoted should be inclusively of all these expenditures. He should return all the unused Departmental materials to JE concerned.
 - 16 The Contractor shall not interfere with the execution of water supply or electrical fittings and other works entrusted to any other agency by the Block at the time during the progress of work.
 - 17 The Engineer-in-Charge of work shall have the right to reject the scaffolding and centering etc., made for the work and such structure if found defective in his/ their opinion.
 - 18 The contractor shall at his own cost make water supply for all work and make sanitary arrangements for his labour campus. The Contractors shall also arrange adequate lighting arrangement for night work, wherever at his own cost.
 - 19 Boiling of water arising from any reason whatsoever from the foundation if necessary shall be borne by the Contractor. No payment shall be made for fixing arranges bench-marks. Level pillars profiles and benching and leveling the ground whenever required. The rates quoted shall be for finished items of work inclusive of all incidental items of work.
 - 20 It should be understood clearly that no claim whatsoever shall be entertained as regards extra item of work or extra quantity of any item in excess of the estimate, written order must be obtained from the Block Development Officer, Korukonda for such extra item or quantity of work.
 - 21 The Contractor must follow the fair wages clauses as introduced by the State Government.
 - 22 Except as otherwise provided in the contract, all disputes relating to the meaning of the specification, designs, drawings and instructions contained there in and as to the quality of workmanship of materials used in the work, or as the any other question claim right, matter of any thing whatsoever of any arising out of the execution of failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the tender committee. The award of the Tender Committee shall be final, conclusive and binding on all parties to this contract.
 - 23 The contractor shall arrange at his own cost, necessary tools and plants as may be required for the efficient execution of the work and the rates quoted should be inclusive of the running and hire charges of such tools and plants.
 - 24 The Contractor shall submit to the Block office monthly return of the labour both skilled and un-skilled employed by him on the work. In case of non-payment, contractor is solely responsible in the labour court.
 - 25 No part of the contract shall be sublet without written permission of the Block Development Officer, Korukonda or transfer is made by power of attorney authorizing other to receive payment on the contractor's behalf.
 - 26 If any further necessary information is required the Block Development Officer, Korukonda will furnish such information but it must be in order and according to instructions.
 - 27 Only ACC/Konark/Ultratech brand Cement (OPC – 43 Grade) will be used and weight of each cement bag being taken as 50Kg. Further that the M.S. or Tor Rod shall be used in the work as per SAIL Brand.
 - 28 No contractor shall be permitted to furnish his tender in his own manuscript papers or latter pads.

 26

- 29 In the event of delay in the supply of detailed structural designs for unavoidable reasons, reasonable extension of time will be granted on application by the contractor, but no claim for monetary compensation therefore shall be entertained under any circumstances.
- 30 Before quoting his rates the tenderer can inspect the site of proposed work. He should inspect the quarries and satisfy himself about the quality, availability of materials, medical aids, labour, food stuff etc., and the rates shall be inclusive of all these items, in every case the materials must comply with the relevant specification. The sample of materials in sealed packets should be submitted along with the tender for approval of Block Development Officer, Korukonda while executing the work.
- 31 Tenders shall be deemed valid and hold good till 90 days from the date of obtaining of tenders.
- 32 After completion of the work, the contractor shall arrange at his own cost all requisites and equipment for testing for the work of building, roads and culverts etc., if found necessary and bear the entire cost of such test.
- 33 Before executing the work, contractor must erect one transparency board stating a brief note on the work to be executed and payment will be made out of estimated amount. No running bill will be paid unless transparency board is setup at the work site. Also, after the work is completed necessary correction is to be made if required over the transparency board by the executants as directed by Engineer-in-Charges.
- 34 The Block Development Officer, Korukonda reserves the right to reject any or all tenders received without assigning any reason whatsoever. The Block Development Officer, Korukonda also reserves the right to accept any tender without assigning any reasons to other tenders.
- 35 The Engineer-in-Charge shall have the power to make any alterations in or addition to the original specification, drawing, designs and instructions that may appear to him to be necessary or advisable during the progress of the work. The Contractor shall be bound to carry out the work in accordance with any instruction, which may be issued to the contractor after being signed by the Engineer-in-Charges and such alteration shall not invalidate the contract and any additional work which the contractor may be directed to do the manner, above, specification as part of the work shall be carried out by the contract on the same conditions in all respects on which he agreed to do the main work. The time for the completion of the work shall be extended in the proportion that the additional work bears to the original work shall be extended in the proportion that the additional work bears to the original contract work and the certificate of the Engineer-in-Charge shall be conclusive as to such proportion, and if the additional work included any class of work shall be carried out at the rate entered in the sanctioned schedule of rates during the period when the work is being carried on and if such mentioned class of work is not entered in the schedule of rate of the district then the contractor shall within seven days of the date of his receipt of the order to carry out the work, inform the Engineer-in-Charges of the rate which it is his intention to charge for such class of work and if the Engineer-in-Charges does not agree to this rate, he shall notice in writing be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as may be consider advisable provided always that the contractor shall commence work of any expenditure in regard thereof before the rates shall have been determined as lastly here in before mentioned when and in such case he shall only be entitled to the paid in respect of the determination of the rate as aforesaid according to such rate of determination of the rate as shall be fixed by the Engineer-in-Charge. In the event of dispute, decision of the Block Development Officer, Korukonda will be final.
36. Rates quoted should be fairly reasonable. Rates containing abnormal and unworkable are liable for rejection.
- 37 Item of work not covered by the tender notice will be paid at the Current Schedule of Rates of the Public Works Departments, and those not covered by S.R. will be paid on actual analysis approved by the Engineer-in-Charges.
- 38 Standard Public Works Department specification of the Govt. of Orissa will be followed in executing the work.
- 39 The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order commence work is issued to the contractor. The work shall throughout the stipulated period of the contract be carried on with all due diligence (time being deemed to be the essence of the contractor on the part of the contractor) and the contractor shall pay the compensation and amount that equal to 1/3rd percent on the amount of the estimated cost if the whole works shown by the tender for every day that the whole work remain un commenced or during the execution of the work the contractor shall be bound, in all case in which the time allowed for any work exceed one month, to complete one fourth to whole of the work before three fourths of such times has lapsed in the event of the contractor failing to comply with the condition, he shall be liable to pay as compensation an amount equal to one third percent of the said estimate cost of the whole work for every day that the due quantity of work remains in complete provided always that the entire amount for compensation to be paid under provisions of this clause shall not exceed 10 percent on the estimated cost of work as shown in the tender.
